Military Service Buy Back Option

On November 22, 2003, President George W. Bush signed Public Law 108-133, referred to as the District of Columbia Retirement Equity Act. This law permits Plan members to purchase eligible post-1956 military service for the purpose of avoiding a reduction in you Plan retirement benefits when you reach full Social Security retirement age.

In response, the Office of Human Services will be mailing instructional letters in the coming month, to all sworn members of the department. Copies of the District of Columbia Personnel Manual Issuance (DPM Instruction No. 26B-3) are available in the Office of Human Services, Room 6061.
